The group Prestige, has one objective in this meeting. That objective is to do the **sprint retrospective**. This are the decisions taken:

### **CONTINUE:**

- Meet deadlines.
- Satisfy all requirements (VersionOne).
- Have our VersionOne account updated with all the documentation asked and needed.
- The group should continue working as it does until now.

### **STOP:**

- CODE: Stop copying and pasting.
- Not to leave the work for the last days.

### **START:**

- Ensure that the rest members of the group have all they need from you.
- Try to work under the recommendation line of VersionOne.
- Look more for VersionOne, it helps in organization.
- Surf more on the internet.
- To be up to date.
- Look carefully at the details.
